Comments, if any:

Upon arrival, myself and Inspector Lwazi Ntungele from the Cape of Good Hope SPCA met with Kurt Hardnick, the owner of the dog, and who granted us access to the property. We observed the dog in question, fair body condition and on a running chain of adequate length. The dog had access to adequate shelter and water. Kurt advised he wants to make the chain that connects the dog to the line longer, and we said we will return to see the new length. We will check again on Monday.
