Comments, if any:

Upon arrival, myself and Inspector Lwazi Ntungele from the Cape of Good Hope SPCA met with Kurt Hardnick, the owner of the dog, and who granted us access to the property. We observed the dog in question, fair body condition and on a running chain of adequate length. The chain connecting to the line was also lengthened, now approximately 3-4 metres connected to a line of approximately 15 metres. The dog had access to adequate shelter and water. Kurt informed us that the dog runs up and down but still tries to bite the gate to escape the property. Therefore, this case can be closed as the owner complied. NFA

Dog was also brought in for sterilisation.
