NATURE OF COMPLAINT:

Good day, would you kindly do a general living conditions inspection at the property in Pinelands, where there were 4 dogs seen of which 2 of the dogs got into a fight at the property and as the complainant was standing at the property she witnessed the owner toss a Hand Garden Spade at the dogs, in which the spade didn't touch the dogs or cause any harm to the dogs in question. It has been established that the owner tried to stop the dogs from fighting and wasn't an intentional act to cause harm to the dogs, no other welfare contraventions were stated; however, the complainant says that the owner was negligent for throwing the dogs with a spade and wants the owner to be warned to refrain from abuse.
