Please describe the concern you have

I am a resident in Johanna Court, Manenberg. I have previously made contact with the SPCA regarding dogs at 1 Johanna Court.

These dogs are not being taken care of and the degree of neglect is immensely disturbing. There is +/- 4 dogs which one can say is strays really as they are not taken care of or looked after by the owners. They seem to have "brandsiek". The most concerning is that they regularly attack the residents going to and coming from work and children playing outside.

Please see some pictures attached.

It would be greatly appreciated if you can come out and address this situation, not just by removing these animals but also reprimanding these people who is consistently taking in animals, dogs specifically knowing they cannot afford to care for the.

Your assistance is greatly appreciated
