Comments:	Upon arrival, we spoke to Mrs Fisher, who informed us that Mr Fisher who is the owner was currently at court and she was not sure when he will be back. We informed her that we were doing a follow-up on the application of the permit that Mr Fisher applied through RI Grove and she informed us that they never got response since then however she will send out an email again just to remind RI Grove to give response. On request to send a copy of that email to Officer Alexander as a proof of communication and she agreed .
