Comments:	Upon arrival accompanied by leo Ndzondzo we met with owners son gerad who contacted his dad via cellphone. We spoke with owner Mr Siebritz who requested nature of complaint and was given the reason as to why we were there(.breeding permit). Whilst attempting to educate mr siebritz on the timefra and attempting to explain animal living condition Mr siebritz kept interrupting us. Mr siebritz then requested we take a letter he had typed out and told us to hand it to him. I then replied no. Mr siebritz then informed me that we are harassing him and he will complain to our bosses. Will discuss with chief inspector on way forward with ri grove
