Subject: 27 Santos Street Rugby - is the dog still tied up at the back

With thanks for your intervention so far.

Have not seen the dog for days, last seen being pulled on a belt around the neck in the yard, can only presume the dog is tied up at the back by the donated kennel.

Never taken out, just tied up?

Is the dog still there, just tied up at the donated kennel?

What is the situation. Being tied up at the back in the cold damp is not for a dog.

Please enquire if the dog is still there and indeed just living a life tied up at the kennel at the back in the cold damp.

With thanks, a concerned anonymous neighbour.
