Type:	CALL RECORD - MADE
Follow-Up Date:	
Comments:	After the SPCA sent a message to the complainant to provide us with the correct address or with a landmark. The complainant didn't get back to the SPCA with the correct address or with anything that may lead the SPCA to get the property that she reported as mistreating the animal/s. At approximately 09h00, i again tried to call the complainant on her cellphone, the cellphone was quite, there was no ringing, no voice note. I think we need to close this case until she get back to us.
