Comments:	NEW COMPLAINANT INFORMATION: There is a dog at 44 Justin street Brooklyn, that is tied up for many hours at a time everyday. This is against the animal protection act. This is against animal rights. Please send an inspector to investigate. This is also not the first report to SPCA regarding dogs at this address. This is still a young dog. I will wait for a reference number to follow up regarding this matter as these people are repeat offenders when it comes to animal welfare. There are also other people who have noticed this dog. I have the knowledge and facts when it comes to the animal protection act and animal rights. THIS IS LINK TO CASE INSP222378
