Follow-Up Date:	2025-10-28
Comments:	As per the previous note, a follow-up call was to be made to determine whether the owner is willing to sterilise the animals. I attempted to contact the owner several times but was unsuccessful in reaching them. Currently, no animals are listed on the case. The area inspector will follow up upon his return and ensure that any animals observed on the property are added to the case accordingly.
