Comments: Happy Valley Home Shelter, Simonstown

Spoke to Patrick Msakayeya, the manager of the facility, cell number 0838627996. He informed me that one of the residents at the facility, Banele Marcus, saw an adult baboon with a baby on the premises. He proceeded to throw a stone at the baboon, but it did not hit the baboon or the baby. Baboon Rangers was onscene and are aware of the incident. They confirmed that the visible i jury on the baby was from a day or two before this incident. Joanie Markman, a staff member with cell no 0813460381, is also a witness to the event. The actual complainant in this incident, Bulelwa Sanka, was a resident at the facility who absconded from the facility. While she was at the facility they had problems with her always feeding the wildlife in the area. Banele Marcus has also already left the facility. My recommendation is NFA, or followup with baboon rangers.
