Were any animals seen on the property? No

FINDINGS

Upon arrival, myself and Inspector Lwazi Ntungele of Cape of Good Hope SPCA knocked and shouted at the gate but there was no answer. We asked the neighbor if we can look from their property into the property in question. When we looked, we did not see the dog anymore on the property. The shelter for the dog was still there, however there was no sign of the dog itself, or any faeces. We decided to leave and come check next week if the dog has returned to the property and to try to meet with the owner.
