REPORT

Access granted by: Keanu Jordaan

Were any animals seen on the property? Same animal/s as previous inspection

FINDINGS

Confinement of animal/s: Tethered ***
Reason for being chained or caged: Property not enclosed, can escape the property
Adequate space: No ***
Clean living environment: Yes
Water available: Yes
Adequate shelter available: Yes
Animal/s in good condition: Yes

Upon arrival, myself and Inspector Lwazi Ntungele of Cape of Good Hope SPCA met with the owner of the dog, Mr Keanu Jordaan, who granted us access to the property.
We observed the adult male X breed dog, fair body condition and but now tethered on a chain. The dog had access to adequate shelter and water. The living area was clean as well. Mr Jordaan explained that he had tethered the dog when it is outside as the dog can escape the property, but when the dog is inside it roams freely. I told him that he will then need to set up a running chain of adequate length for the time the dog will be outside unsupervised. He agreed and said he will do so.
I issued a warning, 21819, to:
* As a last resort place the animal on a running chain within 7 days.
The warning was consigned by myself and Inspector Lwazi Ntungele. The warning was signed and accepted by Mr Keanu Jordaan.
