Clean living environment: Yes

Adequate shelter available: Yes
Animal/s in good condition: Yes

Upon arrival, myself and Inspector Lwazi Ntungele of Cape of Good Hope SPCA met with the owner of the dog, Mrs Roslyn Booysen, who granted us access to the property.

We observed an adult male Pitbull dog, fair body condition and free roaming on the property. The dog had access to adequate shelter and water. The living area was clean as well. The yard was packed and organized correctly, affording the dog much more space available now.

Therefore, this case can be closed as the owner complied with what was requested. NFA
