FINDINGS

Confinement of animal/s: Free roaming - in property
Adequate space: Yes
Clean living environment: Yes
Water available: Yes
Adequate shelter available: Yes
Animal/s in good condition: Yes

Upon arrival, myself and Inspector Rowan Davids from the Cape of Good Hope SPCA met with the owner, Monique, who granted us access to the property.
We observed the dog in question, free roaming on the property with access to adequate shelter and water. The dog was in fair body condition, and the living area was clean. The leash the dog was tethered on previously was no longer there.
Therefore, I can confirm the owner has complied with refraining from tethering the dog. Case can be closed, NFA.
