REPORT

Access granted by: Elinia De Wet

Were any animals seen on the property? Same animal/s as previous inspection

FINDINGS

Confinement of animal/s: Static chain - inadequate length ***
Reason for being chained or caged: Dog can escape the property
Adequate space: No ***
Clean living environment: Yes
Water available: Yes
Adequate shelter available: Yes
Animal/s in good condition: Yes

Upon arrival, myself and Inspector Lwazi Ntungele from the Cape of Good Hope SPCA met with Elicia De Wet, the mother of the owner of the dog, and who granted us access to the property.

We observed the dog in question, fair body condition but still on a static chain of inadequate length. The dog had access to adequate shelter and water. The mother informed us they dog has a running chain but its not set up yet. I told her the owner needs to ensure the running chain is installed as soon as possible, as we have given more than enough time for it to be sorted.

I issued a warning, 21828, to:

- As a last resort place the animal on a running chain within 3 days.

The warning was cosigned by myself and Inspector Lwazi Ntungele, and signed and accepted by Mrs Elicia De Wet on behalf of the owner, Mr Zaan Philander.
