### STATES UNDER OATH IN ENGLISH

I declare that, on Monday 10/11/2025, 11:12 I was at the above named address when I heard our dogs (two (2) x German Shepherd (cross) puppies, 1 (one) year of age, males) barking and yelping in pain, & saw stones (rocks and half bricks) being thrown at our dogs. Our dogs were severely injured by this, according to our neighbours at 98, 9th Street, SW. They threw the dogs from the dogs' own property, which is no reason to do this, they had to be transported to the vet. This is completely unacceptable. This is the first time such an incident had occurred, as we know very well that they are our dogs.

I know and understand the contents of this statement.  
I have no objection to taking the prescribed oath.  
I consider the oath as binding on my conscience.

### STATES UNDER OATH IN ENGLISH

On 10.11.25 my aunt called me to notify me my dogs dug a hole to the back neighbour property with her approach to check up on them after she heard their cries and barking with that she saw the kids of the back neighbour throwing stones, stones being one of it a half a brick. She screamed at them asking why they stoning the dog they ran into their house. My wife left work for the emergency to take our dog to the animal welfare in Gordons Bay. My dog is currently limping walking on three legs. I was advise by animal welfare to contact law enforcement. Law enforcement said to go to police got nowhere with that so I reported to SBCA on 11/11/25 and been getting service for the get go. I requested a medical report from animal welfare and awaiting.
