Comments:	Address visited on 2025-11-24 by Ofc Baker and Ofc Adams. No dogs seen in the vicinity. Spoke to Robert, an inhabitant of the area, and he advised that we look by Food Lovers Market and The Service Diner as the owners hang of the animals hang out there. We drove around the area and found nothing. Robert also stated he gave his dog, a black pitbull, to a vet in CBD. He couldnt specify which vet. We will have to go back later in the week to try and find the owners and the 2 x dogs
