Type: CASE DISCUSSION NOTE

Follow-Up Date: 2025-11-13

Comments: I think a warrant should be obtained for this dog as it is not picking up weight, there is nothing medically wrong with the puppy but in my opinion the owner is underfeeding as when we conduct the inspection there is hardly food. I am concerned if the owner moves we may have difficulties finding the dog and may have to start over if the dog goes into someone elses care. Please can a warrant be obtained.
