Dear Ereeza

We are pleased to inform you that our investigation into the matter you reported has been concluded . The case is now closed on our end. The inspector was at the property on 29 August 2025 and found the dogs to be in acceptable condition with access to adequate shelter and water. We subsequently collected the adult female dog for sterilization on 21 October and she was returned home healthy on 22 October. Please feel free to make contact should you require further information.

Thank you for your concern and support in preventing animal cruelty. Without caring individuals like you, our work would not be possible.
