Good day Trijntje

Trust you are well.

The animals were confiscated on the 12th Nov 25. There was a lady who granted the inspector access to where the dogs were, and the necessary documents were handed to her. Since then, no one has come forward to claim the dogs or made enquiries with regards to the animals that were removed.

These animals are now in the custody of the SPCA.

Kind regards

Good day Inspectorate,

I am following up on the email below, regarding the dogs removed from 2 Diane Court, Sirius Way, Ocean View.

I have not yet received a reply to this inquiry. I also called on both Thursday and Monday and was told that I would receive a response.

Could you please confirm if the dogs are still currently at the SPCA?

Thank you for your assistance.

Kind regards,

Good day Inspectorate,

The owner of 2 Diane Court, Sirius Way, Ocean View, came to us saying that the SPCA took her dogs.

We went to have a look at the warning that the SPCA gave her and we told her to clean up the yard and secure the fence, so that the dogs don't have to be on a chain.

We went there Saturday afternoon to check and with help she managed to clean it up .

Please let us know what needs to be done for her to get the dogs back?

Kind regards,
