| Follow-Up Date: |                                                                                                                                                                                                                                                                                                                    |
| Comments:       | Upon arrival at the above address, I met with the caretaker, Claude Rass, who was uncertain with respect to the Sterilization of the female dog, as the rightful owner was not present nor available hence the reason that he could not grant consent. I was unable to obtain direct contact details of the owner. |
