Type:	EMAIL - RECEIVED
Follow-Up Date:	2025-11-07
Comments:	Good day Magdalene Marshall Trust you are well. Please note that we were at home for the entire day yesterday and no one from the SPCA came to conduct the inspection at 124 4th Avenue as promised. Please urgently advise on the above and with regards to the second litter of puppies that were recently born without Mr Siebritz having a breeding permit. Thank you Nashitah
