Comments:	Apon arrival at this property we met with the owner Mr Leonard at the gate of his property. We explained to him the reason for our visit, he indicated that he did received a compliance notice however it was very late when he got it as it was issued to Mr Edward who is a family member. On our previous inspection we observed 3x Pitbull at the property, he said 1 Pitbull is already sterilized however 2x Pitbull are not sterilized. Keeping animal by-laws was explained to him and he understood as he claimed that he was seeking for clarity regards with sterilization . A second compliance notice for 7 days was issued and he asked for some assistance from SPCA regards sterilization of his dogs.
