Inspector:	SIVIWE NOKO

Type:	CASE DISCUSSION NOTE
Follow-Up Date:	2025-11-25
Comments:	I have requested Insp Julian to do a follow up inspection. Owner was requested to book his dog for surgery at our hospital and by his nature does not look like he would do that. I therefore requested Insp Julian to do this follow up to avoid many visits, if the owner has not booked for a surgery, then a warning should be issued and if he is non compliant, a warrant should be obtained.
