Follow-Up Date:	2025-11-25
Comments:	I looked at this case. We have not been on the property to see the animals . We have also scheduled an inspection twice and did not honour the meeting times and postponed. Call the complainant to find out if it is true that they have sorted the matter between themselves. If not then we need an email of her complaint so that we can attach it to our warrant application. It looks really bad on us when we cancel or move appointments twice.
