Type:	CALL RECORD - MADE
Follow-Up Date:	2025-11-17
Comments:	I called Sharon to follow up on the previous warning to take the dog to the vet within 96 hours. She had a very bad attitude saying that her father in law did not understand what i had said to him or the warning and no one had told her anything. I told het that the dog needs to be taken to the vet and that i would follow up on Monday.
