Subject: Akelei Alpakas Philadelphia

Dear Jaco,

As discussed, please find the details for Akelei Alpakas, attached.

Inspector Davids and I arrived at the farm at 08h20 and a domestic worker opened the gate. The owner, Mr Christopher Tatzreither then stated that we need a court order to conduct the inspection . when asked why, he said he has an issue with the SPCA as they forced him to get a PAPA license , and we are only welcome if we have a court order.

During my previous inspection, I did not find any welfare issues.

Thank you for your assistance with this matter.

Best regards

Navesh Singh
