Comments:	Upon arrival we met with lee the owner of the dog who gave us access to the property. The area in which the dog was living was cleared adequately. The owner Lee informed me that the Rottweiler had been moved to farm close to N7 and that the remaining dog will be moving tomorrow aswell to the farm. I informed Lee (owner) of the sterilization bylaws however seems to be a communication barrier, which i believe she did not understand. She was advised that we will follow up to ensure that both dogs were moved to the farm.
