Subject: Re: Joe Marks Boulevard, Retreat: Dog left unattended without food / water

Dear Mqabuko (and Llewellyn),

I got your details from Margaret Isaacs who I also work with at the City of Cape Town Municipality .

Please can you urgently assist with the below?

There is a dog that is chained up and left during the day without water or food.

The location is against Joe Marks Boulevard in Retreat. There are persons sleeping at this location and they leave the dog there during the day to protect their belongings.

However, as mentioned the dog is chained up and left during the day without food, water or shelter.

Images attached and location is as per the image below:-
