Comments:	On my arrival, I met with the complainant, who is also a owner of the dog, the took me to the back of the house, where I have observed the c alled Coco, the dog appeared to be badly injured as he was unable to walk with his hind legs, the dog was knocked by the car according to the owners. The dog was surrendered as unwanted, I have told the owners that they need to call the vet immediately after the dog is being knocked over or sick to prevent the unnecessary suffering . There was another puppy that appeared to be underweight, I told the owners to surrender the puppy, she agreed, i brought dogs as unwanted. Admission No A 72954 and A 72955.nfa
