| Comments:       | <p>The owner, Nathan Marthinus wth ID number 8310075170089 and contact 0812332326 to lay claim to the dog that Lee removed yesterday. He claimed that he was approached by his friend Ebrahim Gaffoor 0721525819 asking for a dog that can serve as security at a building site., this was around 11 November to mid November. Nathan agreed to this. Nathan further said that he did not know that the dog was going to be kept in this condition but Ebrahim assured him the dog will be in a adequate size enclosure, which clearly did not happen.</p> <p>Nathan was very upset because these people got him into trouble and said he will sort them out but he wants his dog back. He showed videos and photos of the dog on the property and confirmed that it is his dog. Nathan also said the dog will be going to Vliegтуig Avenue in Fractreton .</p> <p>In my opinion he can get his dog back on condition that he pays a fine, his dog be neutered and a property inspection be done first before the dog goes home.</p> <p>After the meeting, I contacted Ebrahim and he confirmed the account of events that Nathan told me. He also satated that he will try to get a number of a person that was in charge of the building site so that we can hold them accountable for putting the dog in the small cage.</p> |
