Comments:	Dear Mr. Pule Thank you for taking my call earlier Find attached Warning 14978 for your attention and perusal. With regard to your comments on your call - you mentioned that the state vet postponed your site visit this morning due to an urgent meeting for foot and mouth outbreak. Please can you provide me with the number of the veterinarian for me to confirm this. Please also send your current documents, including your PAPA License, even if it is outdated. Looking forward to your response, thank you.
