Inspector:	RUDOLPH PHILANDER

Type:	CASE DISCUSSION NOTE
Follow-Up Date:	2025-11-14
Comments:	Inspector Julian to collect the warrant in the morning for the dogs to be removed on the same day. He needs to: - have the one affidavit with its associated attachments commissioned and then make x2 copies of that pack. 1 will go the magistrate, 1 will go the respondents and 1 will stay with us. Note: The other dog on the property that was only on a static chain must not be removed unless it is severely ill or injured. The expire date for the owner to provide a running chain is 20 November so we will have to back then for the follow-up.
