Subject: RE: CoGH SPCA: INSP223352 - Dogs and Rough Sleepers

Good day Richard,

I trust this message finds you well.

Thank you for bringing this matter to our attention. In response to your report, our inspector visited the location and engaged with the dog's owner. The dog, which belongs to a group of individuals residing under the bridge on Mile End Road, was found to have access to drinking water but lacked adequate shelter.

A Notice to Comply was issued, requiring the owner to provide proper shelter within eleven (11) days and to extend the dog's chain by an additional two (2) metres. A follow-up inspection will be conducted within two weeks to ensure compliance.

The SPCA deeply appreciates the vigilance and compassion of individuals like yourself. Your concern plays a vital role in helping us protect animals and prevent unnecessary suffering.

You can help us save an animal by making a small donation. Click on the following link to make a difference - <https://capespca.co.za/donate/>
