Client: Cape Canine Services

Patient: Rambo, male Rottweiler, approx 7 years old.

Presented 03/12/2025 for lameness left front after walking and ocular discharge.

Bilateral entropion present and left front arthritis. Dog is currently retired. Due to age, the cost of the bilateral entropion correction may not be feasible. Long term chronic pain medication is required to manage the arthritis.

Eye drops and painkillers dispensed.

Yours Sincerely,
