Comments, if any:

Upon arrival at approximately 09H30 Myself and Inspector van der zandt was given access by owner Karel
We observed that the yard had a build up of old feces and pee
There was no water available
The older female dog by the name of shieba a X Breed black and white in colour approximately 3 years old appeared to be under weight and tied up on a small chain
Her puppy fluffy about 4 months also appeared to be under weight , fluffy is a female appeared to be under weight both dogs had fleas
We convinced the owner to surrender both dogs to us admission number
Admission number
A 9002 mother
A 9001 puppy
I then issued a warning for in future
Seek veterinary care if dog appears to be sick
Provide adequate water at all times
Clean living environment
Refrain from chaining the dog unnecessary
