Subject: Failure to provide veterinary treatment - FW: Try 073 977 4574 (Jacqui - owner)

Dear Colleagues,

We trust this email finds you well.

Please refer to the below complaint for your investigation. The property to be investigated is noted below in yellow highlight. The “rescue” organisation usually posts animals in need on serious veterinary treatment on their Facebook page to generate funds. We do not believe that they are taking the animals concerned to the vet.

We kindly request that the aforementioned be conducted in terms of Rule 5.4.

Kindly forward the following documentation to us within a period of 7 days:

- A copy of your Cruelty Complaint Sheet
- Inspector's Report/Findings
- Any written Warnings/Notices
- Photographs of the animal/s and their welfare.

Please acknowledge receipt of this email.

Should you require any further advice and/or assistance in this regard you are invited to contact your Society Liaison Officer.

Kind regards,
Jaimin Patel obo Lisa de Bastos

Pls keep me posted as Valentyn Road Tygerhof seems excellent starting point seeing as her missing (at the time) bird in the past was flying around that road it's likely that was her road. I've been watching this DIY "rescuer" for ages and was appalled about the abscess and her gross ignorance, and I made it my business to comment. Friend gave her R300 on Saturday or Sunday (as did someone else from what I saw on threads), and she failed to get help Sunday and every excuse in book ever since! Ironically she "rescued" this dog. To a date worse than death.
