Comments:	I attempted to call Mr Sangweni but my call was left unanswered. It wasnt long and he called back. He explained that he has been away for three weeks already, however he has left his three tenants at his house to look after the dogs as well. He told me that he is aware that they have not been cleaning after the dogs as he got the complaints from the neighbour and has subsequently dealt with issue and gotten the tenants to rectify it. I asked him to arrange an appointment with them for me to do an inspection. He told me that he would and revert.
