Comments:	Mr Stemmet and his son Abdul Q Stemmet (9909275200080) was at the SPCA around 12h00 to lay claim to their dog, Sheeba, that was confiscated last week. The son took full responsibility and completed the claimant section. Upon completion, I explained the situation of the dog to them and explained that we have given them multiple chances to provide the dog with adequate space and a clean living environment. The dad still did not see the wrong in this. The dog that was removed was also very thin with bone problems. Options were explained to them and they decided to surrender the dog to the SPCA to be humanely euthanized. A 89150 completed and a fine of R3000 was issued by LEO Ndzodzo for the APA contraventions. I headed over to PTS the dog and Andisile assisted me. This case can now be closed - NFA.
