Inspector:	YAASEEN ABRAHAMS

Type:	CALL RECORD - RECEIVED
Follow-Up Date:	
Comments:	Spoke to Gigi, the complainant, and explained to her it wss the correct address and the welfare concerns was rectified. She was happy with that and made note of the sterilization of the animals as they apparently expressed to her that they want to breed the border collie. I informed her that I will log the case with LE and they will continue the case. She was happy with that feedback. Therefore, this case can be closed. NFA
