Myself and Inspector Davids was given access by Qhayiya Nkuzo the operations manager

The kennel master Terry dyantyi then joined us ,

We inspected the container where the food was stored last time with chemicals , they had complied by no longer storing the food with the chemicals

It was stored on a separate place

We then made our way to the enclosures where the dogs was kept in

The first one we observed was the male Rottwieler Franko black and Tan in color

The kennel master removed him from the encloaenclosure he appeared to be in a fair condicondition his enclosure was clean

He had access to adqaute water

We lifted under the kennel and saw that it was clean

The kennel was also fixed

There was space between the enenclosures and there was shade net added

We then inspected the enclosure of the second dog Bella a GSH female tan and black in color

She appeared to be in a fair condition

The enclosure was clean

We lifted the kennel under it was clean
