Comments:	Follow up email sent : Good day Sjimone, I hope you are well. Further to my previous email, dated 26 November 2025, I would like to kindly follow up regarding the affidavit we mentioned. In order for us to proceed and to escalate the matter appropriately, we will need a sworn affidavit from you outlining any incidents of abuse and/or neglect of animals in his care, that you personally have witnessed. If possible, please also include a list of the snakes you have personally seen in his possession. This information will assist Cape Nature in verifying the relevant permits. Once the affidavit is ready, please let us know and we can arrange for it to be collected from you. Thank you again for bringing your concerns to our attention. Please feel free to reach out if you have any questions or require assistance with the process.
