Comments:	Email sent to Asgar of Cape Nature:Hi Asgar, I trust your Tuesday is going well. We have received a complaint (see details below) regarding Lijan Harrison Reptile Rescue, with the address listed as 22 Aerodrome Road, Winston Estate, Strand. Complaint: “Lijan Harrison Reptile Rescue. He is a rescuer but doesn't have any equipment to catch wildlife. He shows wild snakes to the public and gives talks without the necessary permit/licence. He doesn't consider people's fear and releases dangerous snakes in open fields near houses . There are a lot of snakes at his house without the necessary permit.” I have emailed the complainant several times requesting an affidavit , with regards to the snakes and any other examples that she quotes in her email, but she has not responded to any of my correspondence. Are you able to look into this alleged complaint/matter, as we do not handle or investigate permit-related issues? Thanks in advance.
