Good day Rudolph

I hope that this email finds you well.

I would like to provide you with an update regarding The Rapture. I conducted the inspection on Monday and was satisfied with their compliance on both the sites and their documentation. I am currently in the process of finalising their Corrective Actions Report and will proceed to issue their license once I have received the signed report.

I have been out of the office for most of the week due to other appointments and inspections. In the meantime, I have granted them permission to continue working on the two sites.

Thank you once again for your assistance with this matter.

Kind regards / Vriendelike groete
