Comments:	I have received a call from Senior Inspector Gantsho from Law Enforcement, who informed me that, on the 01st of December 2025, she went to fetch the male dog at the given address, she mentioned that, after one of the dogs attacked someone, onto the property, there is one dog according to Senior Inspector Gantsho. The owners of the animals normally arrive home approximately 18h00, I think we need to go after hours, the case to be allocated to the after hours Inspector
