Comments:	On arrival, at the property, I called the owner and he told me that there is a lady who lives accross the road, she told them that we are going to inject amd kill their dogs. I told him that is a lie. As the time is after 3, it does not look like I will be able to bring them back today and that is a big concern for him after hearing that we are going to euthanise his dogs. We then agreed that I will collect the dogs in the morning and bring them back later on tomorrow..
