At 70 bongo crescent in Silverton a lady lives with about more than 10 cats the conditions are unsanitary there is a new born baby in the house and a carer tht sees to this ladies father stepped on and killed a kitten there is just too many of them she herself can't keep her house clean and we are fed up of her and the cats.

Can you please take away her the cats and not let her have any as she has mental issues and it's affecting us neighbors
