Subject: Re: CoGH SPCA: Collection of illegal possession of dog

Hi Peace

Thank you for your call, I will try and provide as much information as possible.

Dog is currently at this address: Clive, 20611 Henzekile Street, Bloekombos, Kraaifontein
Rescuer who contacted me and is dealing with him, Lindie, 0799721087, she has reported the dog in poor condition with skin issues who the current possessors of the dog say they cannot treat or afford, in the picture he also appears to have an eye infection.

All my owners sign a contract that they must contact me if they can no longer keep the dog, and I will find it a home.

Dog is also breed restricted and cannot be bred from.

It appears as though the person I sold it to, gave it to another person who in turn gave him to his maid, who gave it to her boyfriend.

I have made arrangements once the dog is in SPCA care I have a fellow Australian Terrier owner in friend who can collect the dog, Dr Sharon Aitken.

Please find attached relevant information.

Regards

Debbi Jackson
