Comments:	N7 heading towards Malmesbury. After the Philadelphia turn off take the first turn off left which says Atlantis into Klein Dassenberg road. About 1km further take the Rondeberg turnoff left. 2.7km down Rondeberg Road you will see Claudeville farm on your right and a property with a boat on the left. You take the 1st gravel road right and follow the signs for Europa Equestrian and Alphine Ranch . You will eventually pass Alphine Ranch and the road ends in Agape Farm I always ask people to please follow written directions as GPS gets people lost in the area
